QUESTIONNAIRE INSTRUCTIONS

This questionnaire asks for your views about various aspects of personnel management programs in the Agency as you perceive them or as they have influenced you in your job and career.

As you read through the questionnaire, please mark your reactions to each question by circling the number of the response which most clearly expresses your feeling about that particular item. Most of the questions request a "Yes", "?", "No", or "Not Applicable" response. For example:

	YES	?	NO	NOT APPLICABLE
Do you know which Career Service you are in?	1	2	3	4

On this item the individual answered "?" indicating he/she was unsure of his/her career service assignment. The "?" response should indicate an unsure or undecided response to the item, the "Not Applicable" response would indicate that the question does not really apply for this respondent. For instance, if they did not have a Career Service designation for this example then they would circle alternative 4. A few questions ask for a multiple choice response and a few request brief written responses. Please respond to these as indicated. There are no right or wrong answers only your own feelings concerning how you view these issues.

The first several questions are designed to provide us with information about how different groups of employees view these issues. The information you provide on these questions will be used to analyze the responses by large groups of employees and will not be used to identify individual responses. Do not sign your questionnaire. Please complete the questionnaire and return it within two weeks after receipt in the attached return envelope to Office of Personnel/Plans Staff, 626 C of C Bldg.
